Select 10 work and lifestyle values that are essential and write them down:

Your Prioritized Values	
Work Values (In priority order)	Lifestyle Values (In priority order)
1- No more than bachelor's degree required	1- Be active in religious work
2- opportunity to advance by changing organizations	2- Have opportunities to get involved in your community
3- Work for a high base salary	3- Own your own home
4- Job security	4- Live in a warm climate
5- opportunity to obtain large salary increases	5- Live in a constant climate
6- Fast-paced environment	6- Live near the water
7- Help people who have needs	7- Travel Frequently
8- Indoors, in a large office with many colleagues	8- Participate in family-oriented activities
9- work with supportive co-workers	9- Be involved in sports of your choice
10- Meet new people regularly	10- Have time to pursue your interests

- 1- Compare your work values and lifestyle values to identify conflicts and compatibility. For example, do you want to earn a high salary but also have a lot of time for leisure pursuits? (Sometimes these can be at odds)

I want to earn a high salary but also spend time with my family (potential conflict)

Getting closer to my faith could give me the work-life balance I seek (potential compatibility)

- 2- Are there values that are not listed above that should be included?

Not really
